

Meet Your OYF Board Member: Mary Weir

BIOGRAPHY

Mary Lee Weir is a seasoned entrepreneur and web developer with over a decade of experience leading innovative companies.

As the CEO of multiple ventures, she has applied her expertise in software development and web technologies to drive impactful solutions. She is the founder of RealComm Global, a research and development firm in cutting-edge communication technologies, recognized with U.S. Patent 11,587,561, B2.

Through Vero Web Consulting in Florida, she provides web development and marketing services to local businesses, helping them strengthen their digital presence.

Beyond her entrepreneurial work, Mary Lee has dedicated time to global volunteerism, offering pro bono website development services across the Americas, Europe, and India.
