

**February 1, 2025**

**Dear Community Influencer,**

We are thrilled to welcome your support for the Treasure Coast community's new non-profit organization, The Ocean Youth Foundation.

The mission of the Ocean Youth Foundation is to empower Treasure Coast community youth to unleash their soulful potential via joyful, authentic realizations and soulful excellence through opportunities in the performing arts, careers and humanities.

One of the first programs we have begun is: The Ocean Youth Orchestra! Qualified students from ages: 10-18 are involved in bi-monthly rehearsals that will result in several performances for the Spring 2025 season, one of which will be an elite fundraising reception and concert by members of the OYO for our valued community supporters.

To achieve these objectives, we are now requesting donor sponsorships to assist in offsetting expenses, sheet music costs, materials and scholarships for private lessons, an upcoming string camp and more!

Thank you so much for selecting your choice of three donation packages on the reverse of this form which you may also submit via the QR code digital link. We are super excited to unleash this non-profit organization and we envision it will generate soulful inspiration for all our participating students as well as all those they perform for!

We are committed to growing a wavelike legacy that will influence generations to come. With your support let us boost our community's vision of unleashing a future of splashing possibilities!

***Warm Regards,***

***The Ocean Youth Foundation Board***

***Richard Ballinger, President***

***Nicole Ballinger, Vice President***

***Bonnie Walker, Secretary***

***Danielle Ley, Treasurer***

***Mary Weir & Ben Heyward, Public Relations***
