## BIOGRAPHY

Mallory is a nurse practitioner at the Cleveland Clinic Indian River Hospital (CCIRH) Gastroenterology Department. She has specialized in gastroenterology since obtaining her Nurse Practitioner (NP) license in 2019. Prior to joining the Gastroenterology Department, Mallory worked as a registered nurse in the Post Anesthesia Care Unit (PACU) at CCIRH. This July marks ten years of her dedicated service at Cleveland Clinic Indian River Hospital.

In addition to her current role, Mallory practices telehealth independently in family medicine through MW Clinical Consulting. Mallory's interest in music began during high school, where she was a member of the choir for four years.

Her son, Elijah, played the viola under the tutelage of his middle school orchestra director, Mr. Richard Ballinger. Mallory has observed her son's musical development and experiences under Mr. Ballinger's mentorship. Elijah continues to regard Mr. Ballinger as a significant influence. Mallory is also a member of the Ocean Youth Orchestra Board, led by Richard and Nicole Ballinger, which aims to provide young individuals with opportunities to engage in music.
